

# Garden Hose Fittings

## Product Specifications

Mainline® Garden Hose Fittings are manufactured by Tribal Manufacturing, Inc. and are ideal for use with any standard garden hose (3/4"). Many garden hose fittings are offered in standard adapter and connector styles as well as a swivel model. The swivel garden hose fittings allow the hose to spin freely of the threaded connection; preventing accidental disconnection as well as hose binding and kinking issues.

## TECHNICAL SPECIFICATIONS

Temperature: 35°F to 120°F

Max Working Pressure: 125 psi. Do not exceed the recommended pressure rating of the garden hose.

## INSTALLATION INSTRUCTIONS

Thread the male end connection onto the female threaded fitting until a hand tight connection is made. Do not over tighten.

## No.GHLC FHT Brass Compression Swivel Elbow Lead Free
